TECHNICAL SKILLS

Languages: Java, Python, C#, Javascript, C++, Bash, Typescript,
Database: MySql, Firebase, PostgreSql
Developer Tools / IDE's: Git, Linux, VSC, JetBrains IDE's, Visual Studio
Frameworks: Streamlit, Langchain, LangGraph, React, Next.js

PROJECTS

Inventory Management System | *Java, MySql, JavaFX, Maven, Git,*
(Role: Project Leader)

- Developed a user-friendly application built using JavaFX, SQL, and Maven. It provides a comprehensive solution for managing inventory, tracking transactions, user authentication and generating receipts using the jaspersoft library.
- Collaborated with an independent developer using Github to create this project.

Employment Opportunities | *Python, Streamlit, Langchain, Generative AI*

- Developed a web-based AI agent using Python, Streamlit, and LangGraph to help students with their career insights.
- Use Google Generative AI for model, Tavily API for real-time data, and Streamlit for UI

EXPERIENCE

IT Technical Unit Trainee
De La Salle University – Dasmariñas | Internship | *September 2024 – November 2024*

- Diagnosed and resolved computer hardware and software issues, ensuring uninterrupted support for students.
- Assembled and deployed customized PC systems to meet specific performance requirements.

EDUCATION

Philippine Christian University <i>Information and Communications Technology (ICT)</i>	Dasmariñas City, Cavite 2018 – 2020
Coursework: Introduction to Java, Introduction to Python, Data Structures and Algorithms, Object-Oriented Programming	

Cavite State Universtiy, Silang Campus <i>Bachelor of Science in Computer Scinece</i>	Silang, Cavite 2021 – Present
Coursework: General Programming, Data Structures and Algorithms, Object-Oriented Programming, Game Development, Software Development, Cybersecurity, Networking.	

CERTIFICATES

12th International Conference of Frontiers of Intelligent Computing: Theory and application (Role: Author / Presenter) View Certificate	2024
Participated as an Author & Presenter of the paper entitled “Impact of Robotics and Automation on the Workforce and Society: A Literature Review” in FICTA-2024, organized by AI and Data Science (AI&DS) Research Group, London Metropolitan University, London, United Kingdom	

AI Engineering Path (Source: Scrimba) View Certificate	2024
Received a certificate of completion in AI Engineering from Scrimba.	

Github Foundations (Source: Github) View Certificate	2025
Passed the GitHub Foundations certification exam.
